Beth: As discussed, the attachments include the revisions we discussed yesterday. These include:

- * Increase scrapers rental rate from 240-270/hr
 - * Revise POO text to reflect same
 - * Number the pages in the POO
 - * Revise spreadsheet to escalate line items rather than totals.
- This is easier to follow when reading the POO.
- * Several minor text changes grammar-related

Also as discussed, have solicited two firms to provide demolition quotes, CST Environmental and Cleveland Wrecking Co. The latter was referred by Pat G.

Thanks for your time. Will get hard copies into Monday UPS, and call to follow up on Tuesday.
